

Convenient access to TALHI member directory, organizational chart, upcoming events, and *much more* in the palm of your hand.

TALHI is pleased to offer this **new, members-only benefit**. Members, download the TALHI app today on your smartphone and/or tablet and create a login using the e-mail address TALHI has on file for you. (If you try to use a different e-mail address as your username, the app will not recognize you.)

For app-savvy members, here's a [Quick Start](#) guide on how to download the app and set up your login.

For those who need a little more assistance, here's a full [User Guide](#) outlining how to download the app and set up your login, as well as a guide to navigating the various in-app features.

*If you have any questions about the app, feel free to contact [Sharon](#) in the TALHI office.*
