

Investing in Texas for Today and Tomorrow

Life insurers' investment in Texas doesn't end with the billions they pay each year in benefits to Texans and their families. That's only the beginning.

Keeping Texas Vibrant & Strong

Life insurers play an essential role in **supporting the institutions and industries Texans rely on for job growth and economic prosperity.** Their investments help build **better roads, affordable housing, newer schools, improved hospitals, and more.**

\$10.4
BILLION

INFRASTRUCTURE

Life insurers invest \$10.4 billion in bonds to fund construction and improvements of the state's roads, bridges, and airports and to ensure availability of clean water and abundant energy.

\$20.6
BILLION

BUSINESSES AND INDUSTRIES

Life insurers help fuel Texas' thriving economy with almost \$10.7 billion in mortgage loans for office space and more than \$9.9 billion in mortgage loans for industries across the state.

\$5.5
BILLION

EDUCATION

Life insurers are creating educational opportunities for Texans by investing more than \$5.5 billion in bonds from the state's local school districts and universities.

\$18.8
BILLION

HOUSING

From the Panhandle to the Rio Grande Valley, life insurers invest almost \$19 billion in mortgage loans for apartments and multifamily units.

\$1.5
BILLION

AGRICULTURE

Life insurers help Texas remain one of the nation's top agriculture-producing states with more than \$1 billion in large and small agricultural loans.

In 2023, life insurers paid out **\$17.6 billion to Texans** in life insurance and annuity benefits. That's **\$48.3 million a day** to help Texans through all stages of life.

Life insurers invest **\$710 billion** in Texas to strengthen businesses and communities across the state.

\$538 billion in stocks and bonds that help finance business development and create jobs

\$100 billion in real estate, loans, and other investments

\$72 billion in mortgage loans on farms, residential, and commercial property

295,200 jobs for Texans

*Beyond private investment, life insurance companies also invest in Texas through public revenue, contributing to the estimated **\$10 billion in insurance taxes** during the 2026–2027 biennium to support state services and infrastructure, making it the state's fourth-largest revenue source.*

FROM EVERY CORNER

In every corner of the state, life insurance investments make a difference.

From people to buildings, homes to bridges, and schools to farms, life insurers are investing to open doors today and tomorrow across the Lone Star State.
